New Online Content for the Spring

New Information Literacy Content in [Credo Instruct](#)

In January 2019, 16 digital videos and tutorials with self-check activities were added to the Credo course. There are a new [video](#) and a [tutorial](#) on APA citations to help students understand and practice citing sources correctly. There are 2 new videos on [misinformation](#). There are new videos on [primary sources](#) and [secondary sources](#). Use any of the 6 modules or just 1 video, tutorial, or quiz with your class or an individual student to develop their academic research skills and understanding.

[DSM-5](#) Diagnostic and Statistical Manual of Mental Disorders

The libraries at Miami now provide online access to the DSM-5 used by health professionals, nurses, social workers, forensic and legal specialists to diagnose and classify mental disorders. This online library includes the DSM-5, DSM-5 Handbook of Differential Diagnoses, DSM-5 Clinical Cases, and the Spanish edition.

Videos for Canvas and Textbooks on Reserve

Would you like to have a DVD or VHS converted to a streaming link you can add to Canvas? Would you like to add a textbook for your students to use?

Use our new Reserve Request form at:

Events at Gardner-Harvey Library this Semester

Join Gardner-Harvey Library this Spring Semester for **VolunTECLabs (Hawk Haven)**, **How to TEC Wednesday Workshops (TEC Lab)**, and **Guest Workshops (TEC Lab)**!

Feb 6, 2019 - How to TEC: Design & Cut Vinyl, Operate a Heat Press

Participants will be learning how to design and cut their own heat transfer vinyl designs, as well as how to use a heat press. Participants will be able to use their new knowledge to design their own tote bag. 11am-1pm & 6pm-8pm

Feb 12, 2019 - VolunTEC Lab: Scarves

Participants will be creating no-sew scarves for kids. As always, you can make one to give and make one to take. Completed scarves will be donated to local schools for kids in need. 11am-1pm

Feb 19, 2019 - Guest Workshop: Kay Helps You Create Jewelry

Kay will be offering her knowledge to participants as they create their own jewelry. Stop in any time during the workshop hours to create your own unique jewelry piece.

March 6, 2019 - How to TEC: Use a Laser to Engrave, Learn Simple Wiring

Participants will be learning the basics of using a laser engraver as well as simple wiring for lights. Participants will be able to use their knowledge to design their own hologram desk light. 11am-1pm & 6pm-8pm

March 12, 2019 - VolunTEC Lab: Grip Socks

Participants will be making grip socks for local cancer center patients. Participants can add fun designs or words of encouragement to socks so patients can stay warm and safe from slips. Pairs of grip socks can be made to keep, donate, or both! 11am-1pm

March 19, 2019 - Guest Workshop: Dr. Gerke teaches you how to mend clothes

Join us to learn about basic sewing and mending techniques by Miami's very own Geology Professor Tammie Gerke. The program will cover the basics so that next time you need to add a button or stitch a hole in your shirt, you will have the skills to save your clothing! Bring an item you would like to repair, or stop in and we will have sample pieces to work with. 12-1pm

April 3, 2019 - How to TEC: Use a Laser to Engrave

Participants will be learning the basics of using a laser engraver. Participants will be able to use their knowledge to design their own rubber stamp. 11am-1pm & 6pm-8pm

April 9, 2019 - VolunTEC Lab: Pet Beds

Participants will be making no-sew pet beds which will be donated to PAWS no kill shelter. Participants are welcome to make one to take and one to donate. 11am-1pm

May 1, 2019 - How to TEC: Basic Wiring, How to 3D Print

Participants will be learning how to wire a basic light as well as gain information on 3D printing. Participants will be able to use their knowledge to design their own 3D printed light. 11am-1pm & 6pm-8pm

[See our Calendar for times and additional TEC Lab or speaker events](#)

Remember, if you attend two or more of our library events in Spring 2019, you will be entered in a drawing for a Kindle Fire tablet.

National Parks Geology Speaking Series

Dr. Tammie Gerke (Geology) examines the geology of our national parks.

- February 27 — Isle Royale National Park
- March 20 — Grand Canyon National Park
- April 24 — Yosemite National Park

All presentations will be held on the main level of the library from 4:45 pm to 6:15 pm, and will feature light refreshments.

[Check out our Faculty Services LibGuide for more information about what the libraries can do for you.](#)
