

NAVIGATING THE INFORMATION UNIVERSE

Your mid semester check-in from the library

Not So Secret, Secrets of Gardner-Harvey Library Collection

- The library owns 30,853 items
- 1614 of them are currently checked out of the library
- On average, each of our items in the collection have been checked out a little over 3 times
- We have roughly 8,000 items that have never been used (yet)
- A taste of our new items can be found on the New Books shelf in the library

Burning Down the House, with Questions

We want to know what the library can do for you. Our middmester one question survey asks: **What are your suggestions on how we can make the library more welcoming / approachable for students?**

The Tools You Need to Succeed

Did you know that the Gardner-Harvey Library has Canon digital SLR cameras? What about iPads? Want to use a GoPro camera, with multiple available mounting tools? A wide range of technology and electronic equipment are available for students, faculty, and staff to use throughout the year. Visit our [Technology and Equipment page](#) to see what is available and then come to the library to check it out!

Research? I Already Searched Once!

Not sure where to start looking for information for an upcoming research paper or project? Does the idea of developing search terms, limiting your results, or locating a copy of an article or book make you want to throw your computer out the window? The library can help!

- **LibGuides** provide focused guides for finding the best databases, books, websites, and more based on subjects, courses, and current topics. Check out our [full list of guides](#) and see how LibGuides can help you!
- **Library Tutorials** provide step by step instructions as well as tips for searching within different databases and using advanced features. Check out the list on our [tutorials page](#).
- **Research Consultations** help you learn to search smarter & faster, find the resources your professors require for your assignment, and save time (& energy) on future research needs. Schedule a [research consultation](#) with one of our experienced librarians.
- **Study Rooms and SPACE** provide areas for you to quietly study or meet up with classmates to complete a group project.
